

EXTENSIONS OF REMARKS

RECOGNIZING THE 100TH BIRTHDAY OF MR. VERN OLLAR OF KERRVILLE, TEXAS

HON. CHIP ROY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 27, 2021

Mr. ROY. Madam Speaker, I rise today to celebrate the 100th birthday of Mr. Vern Ollar of Kerrville, Texas. Corporal Ollar served with Company B of the 81st Chemical Mortar Battalion, United States Army, in World War II. His unit was commended with a Presidential Unit Citation for their heroic landing on D-Day at the Dog Green sector of Omaha Beach. They supported the Army Rangers at Pointe Du Hoc, and then went on to beat the Nazis on the other side of Paris. He was in the first unit to enter Germany under the 4th Armored Division.

After victory in Europe was declared, Corporal Ollar taught Belgian civilians how to detect enemy mortar locations. When World War II came to an end, Corporal Ollar finally headed back home to the United States of America where he and his wife Jayne raised four children. Mr. Ollar gained experience in the private sector and eventually started his own business, Ollar Hardware Company Incorporated. He retired in 1985 and sold the business to his children.

Mr. Ollar lost his dear wife Jayne after 55 years of marriage in 1997. He later married again to Diane, and together they are blessed with six children. The French Government awarded Mr. Ollar with their Legion of Honor in 2014 as a token of thanks for his role in liberating their country.

Like many of his fellow World War II veterans, Mr. Ollar found it difficult to speak about his war-time experiences. However, that changed when he traveled to Normandy for the 70th anniversary of his landing there. Mr. Ollar was touched by the fact that civilian homes sit safe and sound on the very same hill that his unit climbed on June 6, 1944. This anniversary trip helped Mr. Ollar speak about his World War II experiences for the first time.

He and Diane both fought a very different battle this past year and were victorious against their enemy, the COVID-19 virus. It is a privilege and honor to rise today in honor of a true American hero, Mr. Vern Ollar, in recognition of his 100th birthday.

HONORING SUSAN SUNG HEE LEE AS A 28TH CONGRESSIONAL DISTRICT WOMAN OF THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 27, 2021

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our Nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Susan Sung Hee Lee of La Crescenta, California.

A native Angeleno, Susan has lived in La Crescenta for most of her life, and attended Monte Vista Elementary School, Rosemont Middle School, and Crescenta Valley High School. She served in her church for many years, teaching Bible study to youth, and went on several mission trips to serve in rural cities in Mexico and northern Thailand. After graduating from high school, Susan pursued higher education receiving a Bachelor of Arts degree in Humanities with an Asian American Studies major from the University of California, Irvine, an Associate's Degree in Nursing from Glendale Community College, and a Bachelor of Science in Nursing from Azusa Pacific University.

Susan's mother, who has been a nurse for more than four decades, inspired, supported,

and encouraged Susan's pursuit in becoming a nurse. Currently, Ms. Lee is a registered nurse at USC Verdugo Hills Hospital in the intensive care unit, where she has been a Relief Charge Nurse for nearly eleven years. She highly values her work as a nurse and strives to care for every patient as if they were a member of her family. As a La Crescenta resident for many years, Susan feels fortunate to be taking care of members of her community and serving in the area where she grew up.

Susan's dedication and passion for her job became even more evident during the unprecedented coronavirus pandemic. With the wholehearted support of her family, Ms. Lee worked at least one overtime shift every week and would stay past her 12-hour shifts when there was a shortage of nurses. Further, she volunteered to come to work before the start of her shifts so there would not be a gap in the care the patients were receiving. Susan also credits her work colleagues, who she sees as a second family, for persevering during the pandemic.

During the pandemic, Susan used her sewing machine to sew her own scrub caps and provided scrub caps to each of her colleagues, as well as putting her years of haircutting experience from her mission trips to use by giving haircuts to her colleagues when the hair salons and barber shops were closed. In addition, she brought homemade baked goods to share with her colleagues and continues to do so until today. While Susan sees these as simple gestures, she takes pride in knowing that she can provide comfort in the trying times of the pandemic and hopes to be able to contribute in this way throughout her career and personal life.

Susan is a loving wife and mother of two young children. She thrives in the outdoors and enjoys camping, hiking, scuba diving and bike riding.

Madam Speaker, I ask my colleagues to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Susan Sung Hee Lee.

Known as Peter to family and friends—he passed away at his home in Deep River on January 30, 2021. Peter has moved on from this world but his spirit of love for his neighbors and community will never dissipate, and will continue to inspire us to put the public good above personal ambition or gain, and always treat one another with compassion and care.

Born in New York City's Greenwich Village—Peter spent most of his childhood in the city and absorbed the cultural and community diversity in the big apple that would positively influence his creative and artistic mind later in life. An avid student and passionate learner—Peter left the city after high school to earn a
